Nothing else from me. Tina and Mary – what is NCEA going to do without you to develop these quick turn-around responses???

Please take a look at these QFR's focusing mainly on the ones assigned to us in Samantha's email below. I drafted responses in red. Please feel free to edit/expand in this shared document attached.

Thanks,

**Subject:** IRIS QFRs

The fun never stops! We got QFRs yesterday, and I need NCEA's help on a few of them. All QFRs are attached, but I need your help on #2, #7 (see comment, not much needed), #8 (see comment, not much needed), and #12. Congress would like these back next Wednesday the 24th, and it needs to go through OMB review, so the turnaround on this is tight. Is it possible to get something back to me by noon on Thursday?

Thank you, and I'm sorry!
